

BACKGROUND

Oman Shipping Company, incorporated in 2003 is owned by the Government of the Sultanate of Oman through the Ministry of Finance (80%) and Oman Oil Company (20%)

The company is involved in Ship Owning, Ship Chartering and Ship Management through its subsidiary companies:

- Oman Charter Company
- Oman Ship Management Company
- **Oman Container Line (OCL)**

The company also has strategic agreements with MOL and Navig8

Oman Container Line is the subsidiary for whom we are acting as agents in the specific ports in Oman and UAE

This involves two feeder services i.e.

- **Gulf Express (GEX) service** between Sohar and Jebel Ali using MV Hebe
- **Oman Express (OEX) service** between Salalah, Duqm, Sohar and Jebel Ali using MV Fanja

Cargo focus is Container and Break Bulk movements between Oman and UAE

BACKGROUND

Wilhelmsen Ships Service (WSS) is part of the Wilh. Wilhelmsen group headquartered in Lysaker, Norway. We are a leading provider of recognized products and services to the maritime industry. This includes safety products, Unitor marine products, maritime logistics and ships agency.

We are 4,500 specialized marine professionals worldwide – ready and mobilized to meet your ever changing needs. We service 2,200 ports in 125 countries, making us the worlds largest maritime network.

Last year we made product deliveries to 25,000 vessels, handled 70,000 port calls and on average delivered a marine product every 2nd minute.

Wilhelmsen will act as agents for Oman Container Line (OCL) connecting Omani and UAE ports with a container and break bulk service. WSS will manage bookings and we look forward to your support with this Prestigious service.
