# PROJECTS

## PART OF ASHDOD PORT PROJECTS

### ZPMC

The world's largest Chinese crane manufacturing company.

GLS was a full partner to the project's success at the port, we handled the company for all their needs for the project's success, from work visas, site equipment (cranes, forklifts, manpower, office containers, etc.)

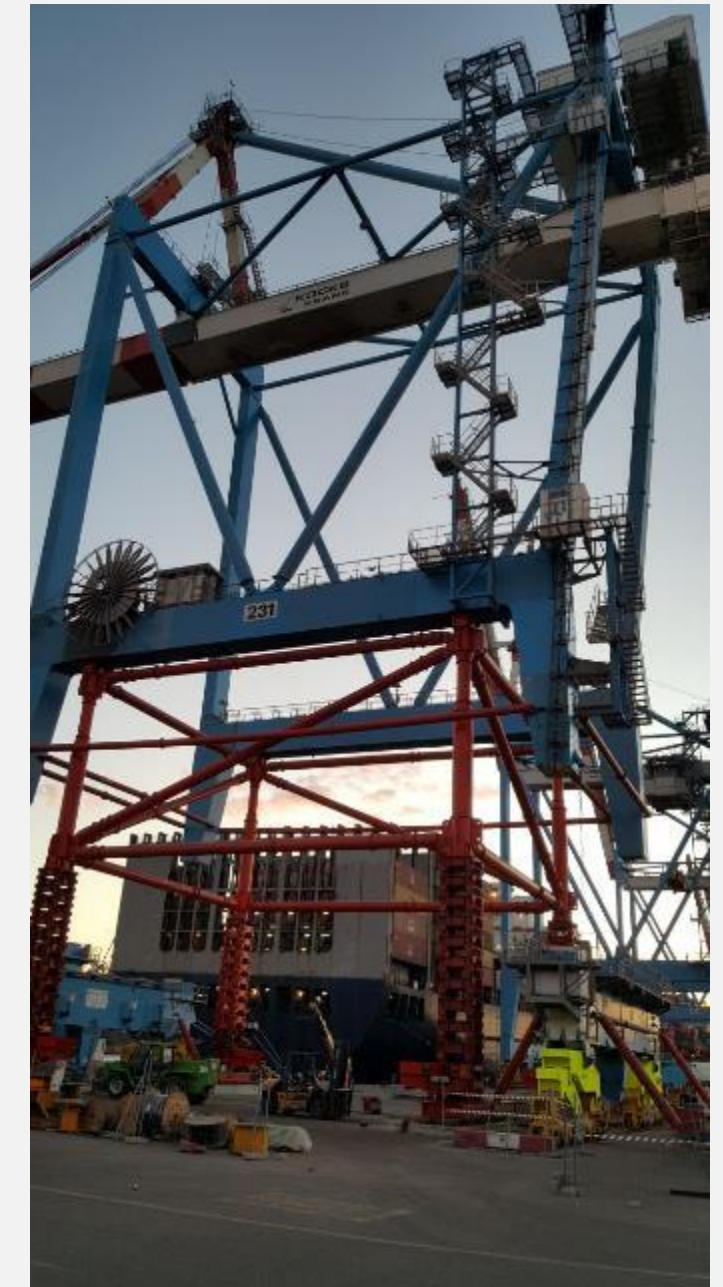

We also provided apartments, mobile phones. Everything ZPMC need for to succeed in their mission we were their "go to" agent.

### KALMAR

A Spanish company has extended the height of the cranes for the port of Ashdod to match the new vessels.

In this project we dealt with all the customs clearance issues and the temporary importation of the equipment into the country.

We were responsible for the very complex exports of the equipment back to Spain.
