

Polaris projects spotlight

Polaris Shipping Agencies LLC, Dubai – United Arab Emirates had a busy schedule with challenging Heavy Lift and OOG project shipments which were completed successfully. Thanks to the close synchronisation between our Ship Agency and Project Division who complement each other for the smooth execution of assigned projects, supporting each other thus benefiting Clients when shipped on our in house Heavy Lift Vessels with Clients able to obtain a door to door hassle free competitive solution. FYI, Polaris Shipping Agencies LLC represents several European heavy lift carriers in Middle East including BBC Logistics, Jumbo Shipping, J.Poulsen, Ocean 7 Projects, Biglift etc to name a few.

Few of our project shipments handled in December as follows.

A) Shipment of 1 x floating production and mooring buoy weighing 271 MT to Oman by Sea

Polaris Projects in co-ordination with our Ship Agency division successfully coordinated pre-carriage and shipment of subject 271 MT Unit with shipping dimensions of 15.692 (DIA) X 11.060 Mtrs height from Suppliers yard to Port Jebel Ali and subsequent shipment on our Principals vessel to Oman. Since Heavy lift vessel was under our agency it was easy for us to obtain suitable berth to the best satisfaction of Hauliers as well as Shippers and to keep the local origin charges to the minimum.

B) Road transport of Heat Exchanger Module to Jeddah Saudi Arabia

Polaris Projects had a challenging road transport assignment for movement of 1 x Heat exchange module with shipping dimension of 16,4 x 5,5 x 4,3 meter (L X W X H) / 388 cbm /Weight of 55 MT which was moved from Suppliers Jebel Ali Free Zone yard to King Abdul Aziz University, Jeddah – Saudi Arabia A/c University central utility plant II Extension project.

Though this job was declined by many of the prestigious haulier companies in UAE due to the width restriction at UAE/ Saudi Arabian Border, Polaris along with our nominated Hauliers was able to convince responsible authorities to obtain permission in line with local regulations and successfully complete the job on schedule.

C) Track Maintenance Equipments for Riyadh Metro Project

Polaris was appointed as destination handling agents by our Italian partners to handle Customs clearance of Rail Track maintenance equipments shipped on flat racks into Jeddah and arrange delivery basis Free on Rail.

Our scope included de stuffing flat racks in Port, inward customs clearance on Re-Export basis, delivery to receivers Riyadh site on suitable low beds with escort, Cranes, Riggers complying with Receivers strict HSE policy. Subject time bound shipment was handled successfully with due satisfaction of all.

Polaris Shipping Agencies LLC is in business since 1992 and is a leading agency and Project Logistics Company in the United Arab Emirates offering diversified services to an established and global customer base.
